

CAGMC Code of Conduct

Every person, delegate, volunteer or guest of the Coburg Athletic Ground Management Committee aims to provide the opportunity for the people of our area to participate in athletics at the best venue available. The committee will at all times endeavor to provide for the health and safety of participants using the facility and should work to ensure the following :-

To provide a safe and healthy venue dedicated to the pursuit of athletics.

To always remember that this body exists so that athletes and their associates have the best opportunities for people of all abilities to participate in the sport, develop to their full potential and for their enjoyment.

To provide opportunities for associated clubs to be involved in planning, leadership, evaluation and decision-making related to their needs at the venue.

To ensure that associated clubs are given equal consideration and that all decisions/actions benefit each equally.

To respect the rights, dignity and worth of all people involved, regardless of their gender, ability or cultural background.

To treat with others in a polite and mannerly way and to help provide protection from sexual or racial harassment or intimidation.

To support the associated clubs to eliminate violent and abusive behaviour.

To accept the decision making process.

To promote adherence to anti-doping policies.
